**Substitute teachers needed!**

Due to COVID, many school districts are currently experiencing a shortage of teachers, so there is a great need for substitute teachers to cover their classrooms.

The principal of La Colima recently shared with us that her school is facing this challenge, as well as the East Whittier City School District overall.

Generally speaking, potential substitutes for East Whittier must have completed a four-year degree from a regionally-accredited college or university, as well as some basic skills requirements. For details, please visit <https://www.edjoin.org/Home/DistrictJobPosting/1452026> or call (562) 907-5900.

The salary for East Whittier substitutes is \$160 per day.
