Opting out of using your image for awareness purposes

From time-to-time, we may use photos and/or videos of our members on our church website, newsletter, or in our social media or other communications vehicles. These images may be taken during worship or other events and would be used for promoting awareness about St. Andrew.

If you would rather not have your image appear in these or similar vehicles, please email the church office at office.standrewlutheranchurch@gmail.com. by April 30. While this information is being shared with our members on an annual basis as part of our privacy and security protocols, you can email the office any time during the year if your preference changes.

If you are ok with this, you do not need to do anything. Please note that no approvals will be sought for photos where the subject is unrecognizable, e.g., due to the distance or face not showing.

Thank you.
