THROUGH THE NEW TESTAMENT

This year, beginning September 11, you are invited to read “Through the New Testament.” “Through the New Testament” recognizes that there are 260 weekdays in a year, and 260 chapters in the New Testament. Each weekday, read one chapter in order through the New Testament, beginning with Matthew 1 all the way through Revelation 22 and you will have read the entire New Testament in a year. Weekends are available to “catch up” on any readings missed during the week.

Binders with study questions for each chapter are now available at church for a suggested donation of \$10. You are welcome to take the study binder even if you don’t have the funds to donate. We want everyone to participate and recommend getting a copy of the study for each person in your household rather than sharing. The design of the study will train you to move deeper into the biblical texts and to learn to better apply the Bible to daily living.

Participants are encouraged to find a regular time each day to do the study. Daily study will require 20-30 minutes to complete, depending on the length of the chapter and the reader’s own preference on how much to record in answer to the questions. It can be quite interesting to go back later to review one’s answers to see how much growth and understanding has developed over time.

Be sure to pick up your copy of “Through the New Testament” soon.
